## Felicia takes over the reins at Glo

Felicia Leander has now taken over the reins at Glo after three years working alongside Glo founder Kelly Fred.

Kelly says she has decided to become a 'stay at home Mom' and is looking forward to spending more time with her children. She will however, still run the slimming machine, Endemologie, Felicia, who has been in the beauty business locally for the past 12 years, says there are exciting things on the cards for Glo... For starters the company will be moving to bigger premises soon!

## Joe Fish launches 3 delicious new dishes for August!

Joe Fish restaurant and pub is the perfect place to enjoy a delicious meal, and their menu just got even better with 3 fantastic new additions.

Jean-Pierre (the head chef at Joe Fish) known locally as JP, has introduced his own speciality - Nachos! Back in his home town of Gordon's Bay JP was hailed as 'The Nachos King' and luckily for us he's brought his secret recipe with him.

Choose either vegetarian (R45), chicken (R48) or the South African favourite - biltong (R52) as your topping of choice. This is the perfect dish to share and it's great to see this popular dish in Cape St Francis!

Joe Fish will also be introducing 2 more delicious dishes... a winter warmer of 'Oxtail And Mash'. At just R68 throughout the whole of August this is a classic comfort dish that everyone will enjoy.

Finally one of my favourites, their wonderful oven baked flatbreads. Originally created for one of the many weddings Joe Fish hosts, these wonderful pizza like breads were so popular that they decided to make them for all to enjoy. Toppings available are blue cheese and caramelised onions (R42), Chicken, fig, brie and cranberry compote (R47) or Smoked salmon, cottage cheese and garlic chives (R65). These really are very very tasty and the perfect dish to share with a bottle of Joe

Fish's award winning house wine.

Whether you want to eat in the restaurant, pub (with 2 flat screen tv's) Joe's Pub is a great spot to catch all the latest sport or by the pool (there is often free live entertainment on Sundays), Joe Fish is an excellent, child friendly environment to relax, chat and enjoy some great food and wine.

Joe Fish is situated at Cape St Francis Resort and is open from 8am everyday. For bookings or more info why not give them a call on 042 298 0054.

Adventure!
