St Francis Bay's SuperSpar climbs the success ladder again

The SuperSpar St Francis Bay team

SuperSpar supports local charities and events

Village Square Super Spar have helped raise funds for many worthwhile causes in and around the St Francis Community throughout 2014. This year these have included the Heritage Centre celebrations, NSRI Champagne Tasting, Disneyland Creche in Sea Vista, the Rotary Club, the famous Links Easter Egg Hunt and most recently the St Francis Rocks Community Concert in The Park starring Jesse Clegg. Richard Moolman and his team are often the first port of call for many charities and events

Over the festive season they will be doing a R5 Super Spar Super Wednesday Collection giving customers the opportunity to help support the store's chosen cause of the Season; which for this year is St Francis College. Each Wednesday shoppers will be given the option to add just R5 to their bill at the checkout. All funds will go directly to the local school.

"The children of St Francis are the future of St Francis, and no town is complete without a school," says owner Moolman. "Spar

recognises the College is an integral part of our community offering an important facility to help us all. Giving back is part of our ethos, and where better to do so than through education."

Alan Campbell, headmaster of St Francis College & Nursery school was delighted when told of the initiative saying "We are honoured to have been chosen by Spar as their beneficiary for this Season. The support they offer to everyone in the area is second to none."

St Francis Bay's Super Spar is a joint winner in the Eastern Cape Ladder of Success Competition 2014.

This is the second time this store in the Village Square has topped the winners list in the past five years, having been placed in all the other years.

The store shares the title this year with Vincent SuperSpar, East London.

The competition is judged over the year and includes scheduled checks plus incognito and unannounced inspections and visits. Owner Richard Moolman and his team were assessed on five criteria, including a Retail Ops Checklist, Loyalty, Sales Performance – of both Spar and general retail brands, - Food Safety & Hygiene and Community Involvement.

"To have won this prestigious title is a huge achievement and I am so proud of the team that I work with," says Moolman. "From the management to the bakers, butchers, store room and checkout staff, we are all part of the Spar family and the pride and spirit in that family is second to none. It is their contribution and hard work which has won us this award. My thanks to each of them."

Success is not limited to the SuperSpar main store as Tops was recognised as joint Runners-Up in its category.

It's All Happening at the Harbour - Port St. Francis

I am a sheet of brown paper. More than likely I will end up cut up and wrapped around an old text book in Sea Vista with a few of my friends, be doodled on or simply stuck under something messy. It would be nice if somebody made me into a kite. I'd like to be a kite. But whatever happens, I will never forget the amazing day that I worked as a paper table cloth at
