St Francis Nursery and College concerts

Above: One of the highlights of the year in St Francis - the St Francis College concerts for tots and primary school kids.. A sheer delight for the whole family as these youngsters steal everyone's hearts. Lots of laughs and tears at faux pas or from shyness... but such an emotionally moving and enjoyable time for all. Photos Didi du Bruyn

Right: Oh what a lovely time and what great fun was had at the ladies' weekend. The Pam Golding Ladies Open saw ladies from far and wide attending this event - from as far as Hoedspruit - though most came from the Eastern and Southern Cape and they were there at prize giving to cheer the overall winners, Julia Read and Jean Campbell with their score of 91. The ladies played golf at both St Francis' golf courses. But it was not all golf as these photos show - the ladies, dressed up in their finery, on the Saturday night and appeared in masquerade with fantastic masks for dinner and dancing.
