## World Surfers returning to JBay for July World Tour event

The world's top surfers will be back in Jeffreys Bay again this year as the JBay Open, event 6 on the Samsung Galaxy World Championship Tour, will once again be held at the renowned Supertubes.

And to coincide with this professional, top class event, the popular JBay Winterfest will be held again from 8 - 19 July this year.

Surfing lovers will be able to watch their favourite international surfers, such as Jordy Smith and Mick Fanning, in action, as they gun for the World Title 2015.

Koffie Jacobs, organiser of the Winterfest, said surfers on the world tour are looking forward to coming back to Jeffreys Bay, renowned for producing consistently good waves during the winter months. He said the organisers are looking at adding a junior surf event to cater for youngsters during the Winterfest this year.

The JBU Super trial, presented by RVCA will take place before the JBay Open. It presents an opportunity for a local surfer to claim the wild card and surf against the best in the world.

Last year, JBay local Dylan Lightfoot, won the Super trial and gained invaluable experience surfing against Kelly Slater in Round One and then current world champion Gabriel Medina in Round 2.

Winterfest spokesperson Brenton Williams said the 2015 festival promises to be bigger and better than ever before. This is the third year the JBay Winterfest will take place. Last year about 50 000 people visited the town to watch the JBay Open and participate in the multiple sporting events, Williams said.

On offer and confirmed again this year are the JBay Mountain Bike Open, the Core Sockle Jol skate event and the Cold Water Swim Classic.

Other events held last year and likely to run again this year are the kites event at Kabelous Beach, a Skins Fishing competition and the Oakley X-Over with big names in South African rugby taking part. Any sporting codes that would like to become involved in the 2015 JBay Winterfest can contact Koffie Jacobs at [koffie@silverbullet.co.za](mailto:koffie@silverbullet.co.za)
