## Stolen property recovered Police Day celebrated with cake

St Francis Bay SAP found stolen equipment in Sea Vista while searching for robbery suspects. They confiscated a TV set, a pair of expensive binoculars, a white cap and a weed eater. Anyone who has lost these items and can identify them, please contact the police station.

St Francis Bay SAP station celebrated National Police Day by having a special cake (with handcuffs and a cop on it) made. The cake was offered to members of the public who visited the station and police personnel from the admin department left their desks to chat to residents and to determine their well being.

The SAP all over the country celebrated this year's National Police Day by commemorating the 20 years of the existence of the Service and by showing commitment to a professional frontline service delivery program that every community and individual can expect from the SAP. Traditionally, on this day the SAP remember the sacrifices that the men and women in blue have made and continue to make as they provide safety for all SA citizens.

## Report Crimes to the local newspaper

No Crime News? Don't be fooled.. because there is no crime news it does not mean there is no crime. The cops are not allowed nationally to give out Crime Stats (only arrests for a month at a time) - only the SAP Minister gives national stats in September each year.

So please report crimes to this newspaper (as well as to the SAP of course), plus write about crime incidents or: FB so others can be informed on what is going on in your area and so that other residents can take preventative action and beef up security if necessary. (Your name will be withheld from publication if you wish).
