QUOTATIONS - To Live By

"What lies behind you and what lies in front of you, pales in comparison to what lies inside of you."
Never lose an opportunity to see something beautiful, for beauty is God's handwriting.

The greatest glory in living lies not in never failing, but in rising every time we fall
You cannot do a kindness too soon, for you never know how soon it will be too late.

Write it on your heart that every day is the best day in your year

- Ralph Waldo Emerson

There are only about three months before Christmas... how time has flown... so much to do and always seems so little time.

We have been slightly delayed this month but will strive to make up the time in the months ahead. The next four editions are our festive season specials and we have exciting stories, events and happenings planned for these editions... be sure not to miss a single edition so that you can know what is happening when and where and have all the important info needed to plan your lives so that you and everyone can have an awesome holiday on our shores.

This month there are exciting events the Vodacom Origins of Golf, a popular national event taking place on our doorstep at the 5-star St Francis Links Golf Estate, plus the Calamant Classic Golf and Bowls events.

St Francis Bay will be teeming with golfers later this month... they are coming here from far across the oceans, as far as Australia to play on our courses. But they want to know if there is a beach at St Francis Bay, if not they will spend their leisure days on beaches further afield and out of town, sadly, I hear.

People do not come here just for the restaurants, the view and the sports. There is no doubt about it... they come here because they find a beach. And the more people that can donate to having the beach fixed the better so that when Province finally gives the not allowing the beach to be fixed, there will be enough money in the Save The Beach

Fund to do so.

We wish you all happy planning and organising for the festive season ahead. And for all those matriculational and university students about to write the end of the year examinations, we wish you wonderful marks and a bright future.

Till next time, keep happy & well
Bev, The Editor

SPIRITUAL THOUGHTS

9...ye know the grace of our Lord Jesus Christ, that, though he was rich, yet for your sakes he became poor, that ye through his poverty might be rich.

12 For if there be first a willing mind, it is accepted according to that a man hath, and not according to that he hath not.

13 For I mean not that other men be eased, and ye burdened.

14 But by an equality, that now of that your abundance may be a supply for their want, that their abundance also may be a supply for your want: that there may be equality:
