QUOTATIONS - To Live By

* Every particular in nature, a leaf, a drop, a crystal, a moment of time is related to the whole, and partakes of the life of the perfection of the whole.
* For every minute you remain angry, you give up sixty seconds of peace of mind.
* The greatest gift in living lies not in never failing, but in rising every time we fail.
You cannot do a kindness too soon, for you never know how soon it will be too late.

- Ralph Waldo Emerson

Not long before 16 December now and the huge flow of vehicles crossing the Kromme bridge for the annual holidays in St Francis.

Already St Francis Chronicle is getting enquiries about the weather, where to stay and most of all what is going down here this year end? Is there a New Year's Eve party for teenagers? Is Billy's Beach going to happen again? Where is a good place to dine at for Christmas Lunch, New Year's Eve dinner, or New Year's Day lunch? These are some of the many questions thrown at us. We have been able to answer most, however the list of social activities is not yet complete.

Next month in the first of our bumper festive season editions we will have an early, yet comprehensive, list of events for the December and January period.

Many visitors who do not come here for Christmas, but for New Year only for two weeks lament that there is absolutely nothing for people to do during the early days of January in St Francis. With the long summer days many people like to vacation here before returning to work around 18 January. Food for thought and action perhaps by those in the local hospitality industry. It will be worthwhile arranging some fun special and sporting activities to keep

people here instead of having them go to PE or Plett for entertainment and amusement

We have an interesting set of news and views this month. All eyes will be on the big meeting planned for 20 October at St Francis Links on the controversial subject of a nuclear power plant that could be developed at Thyspunt and over which all Kouga residents are so divided - "It is as bad as the subject of religion and politics," one local said. Just as these subjects are off limits at dinner parties, the Thyspunt subject is also a taboo topic."

Everyone is in agreement though that people need to know what the future holds so they can make plans.

Till next time, keep happy and well

SPIRITUAL THOUGHTS

1 Corinthians 8:6 to
... to us there is but one God, the Father, of whom are all things, and we live in Him; and one Lord Jesus Christ, by whom are all things, and we live by Him.
[Nahemiah 9:5, 6 to 1st J, 7, 9, 13, 14
Psalms 4:1, 2, 4, John 1:17
9... Stand up and bless the Lord your God for ever and ever;
and blessed be thy glorious name, which is exalted above all blessing and praise.
6 Thou, even thou, art Lord alone:
7 Thou art the Lord the God...
9 And didst see the affliction of our fathers in Egypt, and hearest their cry by the Red sea;
14 And hast known unto them thy holy Sabbath, and commanded them precepts, statutes, and laws, by the hand of Moses thy servant.
1 Hear, ye children, the instruction of a father, and attend to know understanding.
2 For I give you good doctrine, forsake ye not my law.
4... Let this heart retain my words: keep my commandments, and live.
