

Thousand to rock to Parlotones 30 December

Thousands of fans from across the country are expected to descend on St Francis on 30 December to hear the Parlotones at Billy's Beach in St Francis Bay in the Eastern Cape.

This is a real coup for St Francis to have the largest selling rock-band in South Africa play at a family festival of food and music at Billy's Beach on the second last day of the year from 11 am -10 pm Also a drawcard at Billy's Beach will be the Gangs of Ballet, Michael Lowman and many more. (See p10).

The Parlotones have played on stage in front of a billion, people at the 2010 FIFA World Cup Kick-off Celebration Concert. This top SA band group consists of Glen Hodgson - bass guitar, piano, backing vocals,;Paul Hodgson lead guitar, keyboard,; Kahn Morbee - lead

vocals, rhythm guitar; and Neil Pauw - drums, percussion.

The band rose to fame when a track of theirs called 'Beautiful' was used in a Fuji Film ad in Ireland in 2006. This gave them an international break and led to them being taken on by Universal.

They are the first ever SA band to receive a multi-territory record deal.

A *World Next Door to Yours*, was released in September 2007 and became the biggest-selling South African rock album of that decade. Other popular songs include *Push me to the Floor* and *Radiocontrolledrobot* (the latter won best rock album in 2006, SA Music Awards). (Tickets available at Nuticket)
