Debbie Nicholson Properties celebrates 6 years in business

Debbie and Paul Nicholson are celebrating the 6th anniversary of Debbie Nicholson Properties.

The pair who live in Cape St Francis have more than 40 years of property experience between them, including residential property in Cape St Francis and Jeffreys Bay plus commercial, retail and industrial property in Durban and Port Elizabeth.

Having specialised for 15 years in the CSF property market, starting in a buyer's market, living through the unbelievable property boom of the early 2000s and then for the last seven years property slump, they believe they are in an excellent position to provide a balanced overview of what makes the property market 'tick' at CSF.

A newer addition to their business that Debbie describes as "growing beyond our wildest expectations" is the holiday rental business. "I started out with the goal that if I did the whole holiday rental job properly, my business would grow automatically as a result of referral and repeat business."

Debbie is now working full time on the rental business while leaving the residential sales in the capable hands of Paul who has significant financial and commercial property background.
