Delicious food à la fresco

The delightful, newly renovated Picazzo's in the Village Shopping Centre, behind Quiksilver is reopening!

Picazzo's offers a diverse but simple menu with the lemony garlicky aromas blending with peri peri flavours & fighting for prominence over mouth watering cheesy pizza's laden with a variety of toppings.

The grassed and enclosed outdoor eating area with tables and umbrellas is a great place to sample the delicious mix of pizzas, burgers, peri-peri chicken, spare ribs & prego rolls - to name a few of the yummy dishes on offer. Coffees, Beer & Wine round it all off. Open from 10am until late - you can even start your day with a breakfast burger!

With its wi-fi hotspot Picazzo's is an inviting place to relax with a cold glass of wine, while enjoying a crispy LM chicken and surfing the net.

In the New Year locals can look forward to a delivery service that will be on offer.
