After many years of not having much on the Easter Calendar, St Francis is excited to be hosting a community Easter weekend event in St Francis Bay.

"Every Easter we lose visitors to neighbouring towns as we don't have much on offer, but this year will be different," says primary donor of the event, Nevil Hulett.

This Family Fun Day will be on 26 March at Quayside restaurant on Seaglades Drive on the canals. "This event is going to be so much fun for the whole family," says Geanne Darke.

"We have a great venue courtesy of Nevil Hulett and lots of new stalls, including delicious food stalls, a fun run, pony rides, gondola rides, a tea and craft beer garden, 'Adopt-a-Teddy' and SUP lessons. The main attraction will be a Triple Challenge triathlon by The Store, in association with RVCA: Swim - Run - Paddle for Junior and Open divisions.

The Family Fun Day is the brainchild of the St Francis College Parents Association, but

is inclusive of many local businesses and activities. "We want this to be a Community Event where many local businesses get support and exposure, while trying to raise funds for our local school," says fellow organiser Heather White from the Association.

She adds: "We decided to have this special day over the Easter weekend as we not only want our school families to attend, but would love to see more out-of-town visitors as well as our local

community enjoying this special fundraiser with us."

Nevil says: "I would like the Quayside venue to be a venue for community gatherings. I love this platform to launch the concept."
