*As St Francis Chronicle draws to the end of its 13th year in business and since the month of Thanksgiving is upon us, I wish to personally thank everyone who has supported me (advertisers, readers and friends) over the years.*

*I thank you all and am deeply grateful, the paper has been able to continue this far. I also thank all those advertisers and close friends who attended our lovely Birthday party and to the Grosvenor Road band for making it so special!*

*As I write this it is just 10 weeks until Christmas! Our bumper festive season editions start from now on - editions, which get snapped up off the shelves so fast. The annual visitors, including the hordes of swallows, know this popular newspaper and look for it each holiday season as they know they will be informed and entertained.*

We have excellent, well written, popular articles planned again this year. These editions will once again be filled with extra highlights and top news and "What's happening?" guides, plus all the festive season announcements in our up-to-date annual of Forthcoming Events' editions.

Lovely events are planned and it is such a wonderful time of the year... so exciting, and never a dull moment!!

So ensure you get these fabulous festive season copies! Also do get your advert bookings in early to ensure a good placing in the festive season. We have excellent graphic designers ready to make great adverts for you!

*This is all great news! However, so much needs to be done locally before the year end here, particularly as regards the beach..*

Everyone in St. Francis Bay is waiting in anticipation of approval from province to at

least do temporary repairs. Then we need the potholes fixed as, parts of this town's roads and those in other Kouga towns are in a shocking state. Some roads are daily getting worse and one cannot miss a pothole because there are too many.

I hear that people and companies are urgently waiting for permission to hold the annual functions at year end. So everyone is waiting for repairs or things to be done, or to enable them to happen.

*We all do hope, as is the norm at this time, that everything necessary will be done by the city fathers and the powers that be to ensure everything will be effected in time - to ensure a wonderful festive season for everyone in Kooqa.*

Till next time, keep happy, and well,  
 Boy, The Editor

## SPIRITUAL THOUGHTS

Thanksgiving prayers...

*Deuteronomy 28:2, 5, 6, 8.*

2 And blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the Lord thy God.

5 Blessed shall be thy basket and thy

6 Blessed shalt thou be when thou comest in, and blessed shalt thou be when thou goest out.

8 The Lord shall command the blessing upon thee in thy storehouses, and in all that thou settest thine hand unto; and He shall bless thee in the land which the Lord thy God giveth thee.

26 And I will make them and the places round about my hill a blessing; and I will cause the shower to come down in his season; there shall be showers of blessings.
