Kouga Plant & Civils is pleased to announce the latest addition to its fleet - a new Grader, Bell 872D.

The company headed by Phillip Nel will be doing road maintenance, scraping of fire breaks, construction of new roads and parking areas, constructing of platforms, plus construction of ridges for planting of orchids in the Kouga area. It is currently one of the main contractors involved in the multi-million Rand developments that include rock revetments and repairs for property owners at St Francis Bay beach.

Kouga Plant & Civils has started with the construction of the new Andrieskraal School in Patensie. Kouga Plant & Civils will be doing all the civil works for the main contractor, Marmolda Building & Civil Contractors. The company can be contacted for any maintenance works.

Paradise Gained - Your Beachfront Property Dream Come True

Just Property is proud to present its latest masterpiece from the architects who brought you the magnificent Thesen Islands in Knysna...

Kabeljauws Beach is ideally positioned between the edge of Jeffreys Bay and the Kabeljous River mouth. This specially designed 'contemporary beach' development offers exclusive & secure beachfront living.

Priced from R 2 000 000 upwards, buyers are free to choose the design that best suits their lifestyle (and pockets) with property types varying from Sectional Title units and Freehold Rowhouses, to the highly sought after beachfront stands - some the last remaining few in Jeffreys Bay!

Kabeljauws Beach is about creating livable and walkable communities where strangers become neighbours, and neighbours become friends. The development blends the latest in landscaping design and contemporary

architectural features with an eco-friendly twist and uses both to bring out the best in urban coexistence.

If you'd like to enjoy endless summers with the ocean at your door, visit the website kabeljauwsbeach.co.za or contact one of our Just Property's Jeffreys Bay Property Professionals for more information on this exclusive opportunity!
