Talhado kids get food & blankets

Talhado Montessori School has received two wonderful donations in the last couple of months.

First off, East London Nanny Knitters put a lot of energy and thought into a kind gesture to ensure these Sea Vista children in St Francis Bay will be warm this winter.

The children were overjoyed to receive a beautiful hand-knitted warm blanket, from these knitters. This project was the brain child of Jean Hempel whose daughter-in-law, Cathryn Hempel, is the school's headmistress. The Knitters

decided to knit 67 blankets for the 67 minutes of community service for Mandela Day.

Then St Francis College kids have a 'Thankful Thursday' project spearheaded by Lorrin Jarvis of the College PA. Pupils are encouraged to donate an item of food (dry goods) each Thursday. The food helps keep little tummies full at Talhado Children's Haven.

Caption: Jean Hempel handing out beautiful blankets to little learners Busco Mgweni, Bay-Huguen Davids, Chevanne Fortein, and Grace Janjies.

Proudly hosted by your family-friendly Rock Lily Music Bar & Kitchen
